Declarations:

Credit/Debit card authorization amount

Why was the amount held on my credit/debit card more than the estimated rental costs?

An authorization is required based on the estimated **rental** charges. In order to cover incidental charges, such as extra hour or daily charges if the vessel is returned late, we require credit approval for up to \$200.00 over the total estimated **rental** charges. Approval for this additional amount cannot be waived. If authorization for the estimated amount cannot be obtained, the **rental** will be denied.

Additional authorizations (holds) will also be obtained if the vessel is not returned on the date/time noted on the **Rental Agreement/Invoice** or if the original terms of the **rental** change which result in additional charges.

Credit/Debit card hold/deposit release

I've returned the Sevey's Boatyard Rental Vessel/Boat. Why is there still a hold on my credit/debit card?

When the vessel is returned, a charge for the total amount due is submitted to your credit card company. Depending on the credit card company, there may be a delay between the time the charges are received and when the hold is released. The length of time this takes is not determined by Sevey's Boatyard. Since the card issuer is responsible for releasing authorization holds/funds back to their customers' accounts, we recommend you contact the card issuer directly.

However, prepaid or stored value cards which have a VISA or MasterCard logo are not accepted to qualify for **rental**. Debit cards must have available funds for the estimated amount of the rental charges plus up to \$200 to cover any incidental charges in order to secure the **rental**.
